

At The Cove Eleuthera, we tailor our Bahamian weddings and commitment ceremonies to align with the distinct vision of each couple. Our stunning beachfront venues, cozy resort accommodations, and the seclusion provided by our boutique size create an extraordinary backdrop for your special day. To maintain the privacy of all guests, The Cove Eleuthera requires that weddings and special events, on selected dates, reserve all 22 of our guest rooms, suites, and villas for a minimum of three nights. By securing exclusive access to our resort, your guests will be able to enjoy an uninterrupted celebration across our beautiful oceanfront property.
